You have worked hard to make your comedy short film. Now you crave an eager audience to see your work. We understand your passion for making movies. We know the rush you feel when your film is showcased for a large audience. We are aware of your desire to get noticed by putting your film in front of thousands of people. We can help.

The GANGRENE Film Festival exists to help filmmakers like you find an enthusiastic audience for your work; we can give you the satisfaction of sitting in a large crowd and hearing gales of laughter as your film flickers on the big screen. We can expand your audience with our strategic alliance with Comcast Cable.

GET YOUR FILM UP ON THE BIG SCREEN

The GANGRENE Film Festival has been around for over a decade and has built a loyal following. A cult audience of 500 to 700 viewers regularly fills the amphitheater seats every year; picture your film up on the screen in front of them.

PUT YOUR FILM INTO THOUSANDS OF LIVINGROOMS

We have teamed up with Comcast Cable to bring The GANGRENE Film Festival into every home in our region on demand. Thousands of viewers watch GANGRENE showcased movies from the comfort of their own armchairs every year.

We are aggressive about getting your work seen. Comcast plays regular, prime time television advertising year around to promote GANGRENE showcased films on demand. Why not put your film on the big screen and on thousands of small screens.

WAS YOUR FILM SHOT ON NO BUDGET? NO PROBLEM!

We are not film making snobs, our purpose is to entertain by any means necessary. We are looking for original, high-concept work that entertains first and foremost. We will accept any film with any level of production value as long as it makes an audience laugh. So what are you waiting for? You have no excuse. Send your film to us today.
